Lennar's automated homes are built according to the Wi-Fi Alliance program guidelines for Wi-Fi CERTIFIED Home Designs. See the Wi-Fi Alliance's website at [www.wi-fi.org](http://www.wi-fi.org) for additional information regarding the Wi-Fi CERTIFIED Home Design program. The Wi-Fi Alliance also certifies home designs after review of a home floorplan which may occur after your closing. Wireless performance in homes will vary due to design changes, construction changes, placement of furnishings and appliances, usage, and local conditions. Network performance will be affected by network configuration, the number of users and the type of use. Homeowners are responsible for providing their own Internet connection and determining their own bandwidth needs, which may vary. Lennar does not guarantee that networks, equipment or services will meet all homeowner needs. Homeowners are also responsible for configuring all security features. Lennar does not warrant or represent that any network or network device is secure or can prevent all privacy intrusions, malware, or cyber-attacks, even when correctly configured. Certain products or services are provided by Amazon, and not Lennar. Amazon is responsible for all such services and products, and Lennar does not guarantee any equipment or services provided by Amazon. Additional disclosures and disclaimers relating to The Connected Home program will apply. See your purchase agreement and related disclosures for details.
